

Equality and Diversity Policy

Statement of Intent

Shetland Fencing Club will endeavour through our policies, procedures, actions and decision making to ensure that no fencer, coach, volunteer or member receives less favourable treatment on the grounds of race, gender, disability, sexual orientation, religious or political belief, age or financial / social background.

Purpose Of The Policy

Shetland Fencing Club recognises that certain sections of the community have been affected by past discrimination and may be denied the opportunity to participate equally and fully in sport at all levels.

This policy has been produced to prevent/tackle any potential/current discrimination or other unfair treatment, whether intentional or unintentional, direct, or indirect, against its members and volunteers.

Actions

Shetland Fencing Club will produce and maintain an action plan to ensure the intent of this policy is delivered.

All areas of the organisation will be affected by this action plan, which will be incorporated into the overall business delivery plan, itself reviewed and updated on an annual basis. Shetland Fencing Club recognises that, in some cases, to achieve the principle of equity, unequal effort is required and, if appropriate, will consider positive action to tackle under-representation.

Legal Requirements

Additional to the intent set out within this policy, Shetland Fencing Club recognises its obligations in relation to a suite of Parliamentary Acts, the most pertinent of which are detailed below.

- The Equal Pay Act 1970
- The Sex Discrimination Act 1975
- The Sex Discrimination Act 1986
- The Sex Discrimination (Gender Reassignment) Regulations 1999
- The Disability Discrimination Act 1995 • The Human Rights Act 1998
- The Employment Equality (Religion or Belief) Regulations 2003

- The Employment Equality (Sexual Orientation) Regulations 2003
- The Gender Recognition Act 2004
- The Civil Partnership Act 2004
- The Equality Act 2010

Any later amendments to the above Acts/regulations, or future Acts/regulations that are relevant to Shetland Fencing Club.

Discrimination, Harassment and Victimisation

Discrimination can take the following forms:

1. Direct Discrimination.

This means treating someone less favourably than you would treat others in the same circumstances.

2. Indirect Discrimination.

This occurs when a requirement or condition is applied equally to all, which has a disproportionate and detrimental effect on one sector of society, because fewer from that sector can comply with it and the requirement cannot be justified in relation to the task(s) at hand.

When decisions are made about an individual, the only personal characteristics considered will be those which, as well as being consistent with relevant legislation, are necessary to the proper performance of the task(s) involved.

Harassment is described as inappropriate actions, behaviour, comments, or physical contact that is objectionable or causes offence to the recipient.

It may be directed towards people because of their race, gender, disability, sexual orientation, religious or political belief, age, social background, or some other characteristic.

Shetland Fencing Club is committed to ensuring that its members, participants, and volunteers can conduct their activities free from harassment or intimidation.

Victimisation is defined as when someone is treated less favourably than others because he or she has acted against Shetland Fencing Club under one of the relevant Acts/regulations (as previously outlined) or provided information about discrimination, harassment or inappropriate behaviour.

Shetland Fencing Club regards discrimination, harassment, or victimisation, as described above, as serious misconduct and any volunteer or member who discriminates against, harasses or victimises any other person will be liable to appropriate disciplinary action.
