Travel:

You can fly to Shetland from Aberdeen, Glasgow, Edinburgh direct.

You can get a ferry from Aberdeen to Shetland. This is an overnight boat, with cabins (usually recommended). The Club can provide a discount code to visitors, applied to passage, cabin and vehicle cost (min 30%). The discounted travel applies over a 2-week period to cover longer stays.

Details of the ferry service can be found at the link below. Again, the boat gets booked well in advance and to obtain discount, contact the club first for a code.
